

## BIT Life Sciences'2<sup>nd</sup> International Congress of Cardiology (ICC-2010)

*Time: December 7-9, 2010*

*Venue: Shanghai, China*

---

### Invitation Letter

Dear Colleagues,

In the wake of ICC-2009, on behalf of the organizing committee of ICC2010, I am honored to announce that BIT's 2<sup>nd</sup> International Congress of Cardiology (ICC) will be held during December 7-9, 2010, Shanghai, China. The Organizing Committee of ICC 2010 cordially expects you could attend or deliver an oral speech.

The mission of ICC-2010 is to initiate a sustainable platform for exchanging up-to-the-minute upstream and downstream achievements, industrial needs and research opportunities of heart diseases fields, it provides a great opportunity to share in what has happened, be part of what is happening and influence the future direction in one of the fastest growing industry sectors. The 2<sup>nd</sup> International Congress of Cardiology, with a theme of Translational Medicine to healthcare, is actually the extension of the previous international congress of cardiology. **There are 10 chapters with about 150 sessions**, which provide you opportunity to research this world hard work at different aspects. Thanks to the proposals and suggestions of our former distinguished participants, ICC 2010 will organize sessions basing on the close connection with session chairs and Scientific Advisory Board. Wish you to be one of them.

Your work and contribution in the field of heart diseases has set a clear example to achieve a more sustainable economy. The organizing committee of ICC-2010 shares the same interest with you; hence, we hope that you will join us in Shanghai! For more conference details, please refer to: <http://www.bitlifesciences.com/icc2010/>. With your participation, we are convinced ICC 2010 will provide an ideal forum for the promotion of relevant companies, products and services among key decision makers all over the world. We sincerely hope you could participate and contribute your invaluable experience and knowledge at this magnificent conference for the development of the immense program!

We are strongly expecting your participation!

Sincerely Yours,

**Xiaodan Mei**

Executive Chair of WCVI-2010

President, BIT Life Sciences, Inc.
